

By MAX GOODWIN

When Vice-president Nixon invited Lemon Grove School Superintendent Byron Netzley and his lovely wife to share the vice-presidential box at the inauguration in Washington earlier this week, Lemon Grove and the California school system became a matter of nationwide interest among those who wheel-and-deal in school activities.

Men who occupy the high position of a vice-president do not capriciously extend even the merest social invitation without forethought because there is tremendous political impact behind such an action... even those which to the layman appear to be casual actions.

No one is aware of this more than the vice-president. When he was in hot water several years ago he and the nation learned how he stood in the Republican hierarchy when reporters described him as what the words of greetings were. Weeks later events proved the interpretation correct, and he became Ike's running mate.

We have the interesting situation of Superintendent Netzley being warmly invited to share Nixon's inauguration box. The invitation was given publicly and by the vice president personally. In this I foresee the possibility of one of the top federal educational jobs being offered to Netzley when the present administration settles down for the long 4-year pull.

Whether this prognostication comes to pass or not, there is no question but that Netzley has become one of the most important men in education in California by occupying Nixon's box and I will be a little surprised when I see some of the guys who ordinarily go to Sacramento direct for school projects now checking in at Education Center, Lemon Grove before they make the trip.

For fans of psychic supernatural manifestations we inform you that elsewhere in the paper we carry a story concerning a Lemon Grove girl, Eleanor Chassy, daughter of Dr. Gilbert Chassy, 3288 Main Street, who won top prize in a Helix High School speech contest.

Across the continent in Babylon, N. Y., Paul Chassy, a cousin of the girl, won the Babylon High School speech contest. Timing, distance and relationship make it most unusual!

Dick Henderson, our redoubtable reporter who just passed his 77th birthday after a series of successful skirmishes with: 1.) State Division of Highways officials for redress on cutting a road through his barn; 2.) the medical profession which thinks he is not entitled to be as healthy as he is (and the ladies love him); and 3.) the dental profession which is continuously trying to deprive Dick of his own teeth.

He ran a poor second last Saturday, however, when he came to grips with an escalator in a downtown department store. The new-fangled contraption upended him and dumped Dick solidly on his posterior. They rushed him to a clinic where they described his condition as satisfactory and advised him he could have bought it safer and cheaper in Lemon Grove.

It Pays to Advertise Department!

Last week when Goodwill Industries opened its new shop at 3844 Main Street in Lemon Grove the executives with the firm set \$500 receipts as the sales they hoped to achieve. This newspaper ran a Goodwill advertisement opening week.

Sales on opening day topped the amount they expected to hit the initial month!

Bible Index To Be Given For New Subscribers

A valuable book, "Index to the New Testament" will be given to every person whose \$3.50 gets a new subscriber to the Lemon Grove REVIEW. (See advertisement elsewhere in this newspaper.)

The book is compiled so that it shows where to find specific scriptures to support a belief. It is a practical index to every sub-

Road Block, Square Dance, Cage Game Replay To Pour Cash Into Polio Fund Sock

Events occurring in rapid fire order, one of them overlapping the January 31 deadline will move the Lemon Grove-Spring Valley area toward a heartwarming contribution to the March of Dimes.

General area chairman W. B. Paul has marshalled a host of helpers and a half dozen events which bid fair to heap polio aid coffers with both folding and shiny money.

Saturday the Veterans of Foreign Wars will engineer "road blocks" at Imperial and Broadway and Massachusetts and Broadway through which motorists will be invited to pass and pay a polio fund "fine". Unformed VFW and post members and auxiliary members will man the roadblocks from 10:30 a.m. until 4:00 p.m.

Participating for the VFW are R. E. Clark, Dorothy Gagosz, Esther Sperling, H. C. Stubbs, and many others from the post and auxiliary.

Saturday night at 8:00 o'clock the big polio benefit square dance will get underway in the Cafeteria of the Lemon Grove Junior High School.

Levis and Laces, local square dance group have spearheaded the preparations for the event and all square dance clubs in the area have enthusiastically agreed to take part in what promises to be one of the biggest square dance events of the year.

A committee meeting last Friday night "wrapped up" details of the event which will include several square dance musical organizations, half a dozen of the county's foremost callers, in-between dance floor show acts, and the MCing of veteran caller, Clarence Montgomery. Refreshments will be available, served by staff members of the school cafeteria.

Spearheading the event have been Mrs. Kathryn Richardson, general chairman, Mr. and Mrs. Bill Ott (Ott is Levis and Laces delegate to the Heartland Square Dance Association); and Paul himself.

Last Friday night the Grossmont Union High School gymnasium was mobbed with a crowd of over 1,500 people to watch the Helix-Grossmont game. One of the students charged with having his cheerleader crew take up the polio collection got so excited over the affair that he forgot the March of Dimes Canteens and the other paraphernalia, so no collection was taken up.

BUT amidst their embarrassment over the failure to help the March of Dimes, the Associated Student Body of the high school took over the chore and will give several of its most comely and energetic members to take up the polio fund collection at the Grossmont-Cajon Valley basketball game on the night of Friday, Feb. 1.

PRIZES PLANNED TO ATTRACT SHOPPERS TO LEMON GROVE

Lemon Grove business firms will join forces in a series of promotions designed at getting area residents to shop in Lemon Grove on Friday and Saturday evenings.

Promotion plans include door prize drawings and other attention getting devices that will attract shoppers.

Promotions, yet to be decided on, will get under way in mid-February and will be developed under the banner of the Chamber of Commerce.

Member merchants will be advised of meeting dates and plans via personal contacts and through the columns of this newspaper.

So all is well, and a record crowd is promised for that night. Game time is 7 o'clock Grossmont High gymnasium.

On Monday afternoon starting at 3:30 o'clock the Lemon Grove band will give a polio benefit concert. Band director Harry Weisgerber and principal Robert Sutton are co-operating wholeheartedly as are all members of the band to make the concert pay big dividends to the March of Dimes.

Paul said that returns are coming in very satisfactorily from the business firm solicitation made by members of the Kiwanis Club last week, and that indications are that the school children's pledge card event will also show nice returns.

ROAD BLOCK—Lemon Grove VFW members will set up road blocks at Broadway and Imperial and Massachusetts and Broadway Saturday from 10 a.m. to 4 p.m. and motorists will be invited to pay "fine" to the March of Dimes.

Grove VFW committee who will supervise the event are: R. E. Clark, Officer of the Day; Dorothy Gagosz, president of the VFW Auxiliary; Esther Sperling, past president of the same, and H. C. Stubbs, past commander of the local post.

With the road block will be a Block of Dimes, and a balloon sale. —L.G. Camera Foto

Parley Weighs Need In Area Junior College

The Grossmont Union High School District will conduct a questionnaire form of inquiry to determine whether or not there is real need for a junior college in that locality.

The procedure evolved from a meeting of representatives Monday night from 10 elementary school districts convened at the high school board call at Cajon Valley High School.

A lengthy discussion included taxation, school administration problems, construction needs, boundaries of districts, and the need for a junior college.

Superintendent Lewis Smith of the G.U.H.S. district told he con-

'No Cost' Lighting System Suggested By Vincenz

The L. G. Men's Club Friday heard Jean L. Vincenz, San Diego County Director of Public Works explain the workings of the County Services Law which was passed in 1951 by the Legislature. He said that services could be acquired and paid for by ad valorem taxes without forming a district.

He said that an advisory group of citizens could act as a town council. Public hearings would be conducted upon their recommendations. The board of supervisors would continue its full governing powers, he pointed out.

Vincenz said that a street lighting district could be formed in Lemon Grove now on a low tax rate. The utility firm makes the installation without charge and district members would pay only for the "juice". He said this cost, even if it ran \$50 a year, spread over some 50 properties improved

by such light would make it appear a real bargain. He said that Lemon Grove and Del Mar are the only communities in the county without street lights.

He said that a branch library would probably be built "when you people make up your minds whether you are going to annex to San Diego or not." (There is no move afoot presently for such a possibility.)

The library he said would be built at a cost of \$100,000. Supervisor Bird, he said, kept that amount in the budget each year against that time. A 4-acre site near the business district has been earmarked for the library site. No community center plans are in the thinking of his department at present, he said. Vincenz pointed out that the Spring Valley Sanitation project is going well and would be in operation October 1st, when the Mt. Miguel High School opens.

He said that a secondary treatment reclamation process was planned for the S. V. plant and that the resultant liquid would be potable. This water will be fed into the area water table to be used for irrigation purposes.

President Cannizzaro said Tom Fletcher, assistant to the city manager of San Diego would again give his report on annexing Lemon Grove to San Diego on Friday, February 1st. There will be a meeting this week but the program has not been announced.

Woman's Club Juniors Bow In 17 At Fete

More than 70 members of the Lemon Grove Woman's Club Juniors met at the Lafayette Hotel in San Diego for a dinner meeting initiation of 17 new members. Mrs. Ralph Richardson, member of the Senior club and district coordinator conducted the candle-light ceremony.

In charge of arrangements at the January 22nd event were Mrs. William Miller, Mrs. George Tiegman, Mrs. Ralph Kraft, and Mrs. W. R. Slump.

Initiated were the mesdames Martin Cooper, Robert Bresnahan, Robert Burns, Arthur Brown, William, William Daviss, William Gilchrist, William Howell, George Jenkins, Martin King, Joseph Mack, Robert Morrill, Frank Moore, Ray Offutt, Gale Ruffin, Robert Strand, Walter Zane, and Miss Joyce Herbert.

The Juniors are readying a musical program for the entertainment of the Seniors on February 8th. Rehearsals indicate an hilarious time will be had by all.

LG Woman Gets \$50,000 U. S. 'Justice' Award

This item, clipped from Neil Morgan's column in Tribune, June 16, tells the story, and is quoted in full:

"Mrs. Bernadine Adams of Lemon Grove has received a \$50,000 settlement from the U. S. government after seeking \$650,000 damages on grounds that she and her three daughters contracted TB from her husband because Navy doctors failed to warn him against living at home. The government denied liability but paid \$50,000 in the interests of justice." Adams, his TB classified as an arrested case, is now an El Cajon policeman.

A REVIEW reporter got in touch with J. A. Adams, on the desk at El Cajon police headquarters, who had not heard of the award. We read the item to him and he referred me to attorney John B. Gregory, a member of the legal firm of Crabtree, Lindsey and Gregory, attorneys. Gregory confirmed the statements in the item, authorized this reporter to quote him.

Adams said that he was happy to state that his health was never better, he likes his job. We were not able to get in touch with Mrs. Adams, but congratulate her on the government's award.—D. H.

HOTFOOT HOLDS NO TERRORS?

Vista Visions Rain Downpour Best Future Fire Protection

Residents of Vista La Mesa are sitting on what newsmen call a "hot" story, but they do not seem to be very much concerned about it.

More than 1,200 homes in that development are now without fire protection since the State of California Forestry Service closed its fire stations with the legal and meteorological end of the fire hazard season.

Lemon Grove Fire District men and equipment are not available for fire runs to Vista La Mesa, and should a fire break out in that area, the local firemen would be forced legally to sit by and watch, figuratively speaking, the structure aflame go up in smoke. Fire Chief Harold Hensley says that there is one state owned fire rig stationed at the Lemon Grove fire house, and that under certain conditions, if volunteers were willing to go for free, he could go to an alarm in the Vista section.

The Lemon Grove Fire District limits go up Pearson street to a point in back of the Vista La Mesa School, so that institution is included in Lemon Grove fire protection measures, and up Hoffman street to the hill, but all the rest of Vista La Mesa is unguarded.

Legal Tangle Stubs Helix Water Main

The decision of the Helix Irrigation District Board of Directors to make the Nebo Drive bond issue water main a stub line ending at Date street will not affect use of the Lemon Grove storage tank with its 4,000,000 gallon capacity, now under construction.

The directors were told that the storage reservoir can and will be filled by other lines running into it.

The directors decided against ordering a change in the right of way for the construction of the Nebo Drive line. The current project will be temporarily ended on 4835 Date street, which is currently tied up in a court action between the property owners and the City of La Mesa.

Clarence Watters, chief engineer, said the district anticipated obtaining the property last year for this proposed extension of Nebo Drive.

The city's plan was delayed because of continued action in the California courts and the Irrigation District's construction program faces a similar delay unless a right of way can be obtained independent of the city.

Watters said that the 33-inch line will be sealed off at the stub ends if the line cannot be completed on schedule this spring. The necessary pipe, which is on the site, will be purchased and will be laid later.

The directors discussed the possibility of tunneling under the property to complete the line. It could be completed without disturbing property on the surface, Watters said.

The board faces that alternative or else changing the course of the line. Such change in the route would have cost the district an extra \$17,000 under the demands of the contractor. The directors considered that amount as excessive.

BAD CHECKS SHOWING UP AGAIN LOCALLY

Business and professional people were being warned this week by sheriff's men that "bad" payroll checks are cropping up in Lemon Grove again.

Latest one is for \$40 cashed out by Popular Delicatessen. The check, Sam Kahn, store owner, said, was not issued by the firm printed on the check nor was the Olive Street address given by the payee a valid one.

No description of the check cashier could be given.

ed by firemen or fire fighting equipment.

Chief Ray Lyles of the La Mesa Fire District department says that the same situation governs his operations.

No part of Vista La Mesa is in Lyle's district, and he says that he and his men are legally barred from answering any fire calls to the Vista area. Lyles does not even have a piece of state-owned equipment which might be sent, as is the case with the Lemon Grove district.

Inquiry at the San Diego fire department headquarters brought forth similar information. The San Diego fire department cannot and will not answer a call in Vista La Mesa even if the blaze be on the opposite side of the street down which the San Diego limits run.

Home owners in Vista La Mesa pay for fire insurance in the 10th category, the highest rate set up in Southern California by the Fire Insurance Board of Underwriters. That rate is \$3.10 per thousand dollars insurance plus 40c a hundred dollar overwriting fee on policies written, making the total insurance rate for the Vistaites \$7.10 per thousand.

The rate for the number one category, under which Lemon Grove buys insurance is \$1.10 per thousand dollars of policy face valuation. These figures are of course subject to some deviation according to the type structure covered and other factors, but the figures quoted are the base rates.

Chan Mason, member of the Lemon Grove Fire District Board says that the current taxation rate for the district is 56c per hundred, and that tax rate has permitted the district to operate in the black consistently and to retire bonds written at the time the district was formed. Mason says that the financial condition of the district after 5 years operation is comparable La Mesa (Continued on Page 10)

LETTERS TO THE EDITOR

Hello Editor:

You gave me an opening I have wanted for a long time. But lets be honest with the public;

You make two statements in your column The Dimmer View:

(a) That the teachers are not overpaid;

(b) That our district pays teachers \$4,000 a year to start. Then you hasten to point out that the other professions in the Los Angeles Area, such as chemists receive on an average more than \$4,000.

First: You quote the teachers pay in the lowest bracket and then you quote the average pay of the other professions. Naturally the average pay is higher than the lowest paid. You can understand that. The public should not be left with the idea that \$4,000 a year is the average pay of teachers. It isn't and you and I know it.

Second: These other professions you mention. They work twelve months a year and eight hours a day. The teachers work nine or ten months a year, six hours a day, and their months are 20 teaching days a month, not 26 as others are working.

Giving your statements a second look, there is quite a different picture, isn't there?

One thing is certain; the teacher is not getting the short end of the check. Many, and I do mean many, are vastly overpaid. They would not be able to hold a job in industry and for that very reason are teaching. Far too many teachers are married women whose only reason for teaching is that it is easy money for them and keep them independent of their husbands. They earn that extra money they want to keep up with the Joneses. Of course many of the married women are among the better teachers.

It is time we look at education (Continued on Page 8)

Betrothal Told

Mr. and Mrs. Robert Galland, Lemon Grove, announce the coming marriage of their daughter, Carol Laverne Covert to Robert F. Press, son of Mr. and Mrs. U. L. Press, San Diego. Carol is a Helix High School graduate and was a student at San Diego Junior College. Robert received his teaching certificate from San Diego State College and is a faculty member of Horace Mann High in San Diego. April 14 has been set as the wedding date.

TIPS FOR T-V TIPSTERS

Dr. Zoe Cory Bemis, parliamentarian of the La Mesa Writers Club, will speak on writing for television and outline the needs of television editors, when the club meets Monday, January 28. The meeting will be held at 1:30 p.m., in the home of Mr. and Mrs. Forster Coutts, 7915 La Mesa Boulevard, La Mesa.

Mrs. Arthur (Nannette) Thompson, president, will preside. Guests of members will be welcome.

Anyone interested in obtaining a free fishing guide for Fresno county, just send a self-addressed legal-sized stamped envelope to the Department of Fish & Game, Sacramento.

BLIND PERSONS' SKILLS FOUND USEFUL IN INDUSTRY

Gradual solution of the problem concerning useful employment of the blind is being worked out by the California Industries for the Blind, but this state-created agency to help blind persons is faced with the task of convincing industry and business that blind persons can be useful in the economic picture.

Years of research has welded an opinion that blind persons can be employed industrially, through use of talents trained in small manufacturing operations, and norms where skill, a keen sense of perception, and instinctive reflexes can be used.

The San Diego Center, California Industries for the Blind is located at 1344 F Street, and under the management of D. G. Reeder, some 45 persons are now employed full time in manufac-

turing activities.

Many of the employees there, already possessed of a high rate of finger dexterity, are employed in assembling highly intricate electronic and other devices, while many possessing a lesser degree of finger skill are employed in packaging operations of products for sale.

Manufacturers and sales organizations in the San Diego area are urged to consult with Reeder and his assistants about contracting for sub assignment of certain processes and operations.

The appeal of these blind persons is not one for charity—merely the chance to employ their skills in full-time employment.

S.V. MAN DIES IN PLANE CRASH

Memorial services were conducted Tuesday at Conrad's Lemon Grove Mortuary for Captain Robert E. Dixon, Jr., 29, a California National Guard officer who lived at 10134 Cristobal Dr., Spring Valley.

Capt. Dixon died Sunday in an F86 Sabrejet when it crashed and exploded near Allied Gardens during a weekend training flight. He was employed as an engineer at Convair.

Surviving Captain Dixon are his wife, Beverly; his 12 year old son Rex, and his parents who reside in Newton, Iowa. Cremation followed the services.

Eddie Leonard Again Heads Hiway 94 Group

Eddie Leonard of Dulzura, who was President of the Highway 94 Club in 1955, was again elected President at the Club's meeting in December. The meeting and dinner was held in the Barrett Cafe.

The new President and his officers took seats at the January Charter meeting. The other officers are: William Avril, First Vice-President; Mrs. Charlotte Holcomb, Second Vice-President; George Taylor, Treasurer; Mrs. Jill Beckett, Secretary. Directors are: Ralph Jacks, C. E. Saunders, F. P. Miller, and Mike (D.E.) Rupert of Spring Valley.

APPOINTMENTS ANNOUNCED BY GROSSMONT HOSPITAL AUXILIARY

At its first meeting of the new year, held Friday in Grossmont Hospital, the executive board of the hospital's women auxiliary ratified committee and other appointments made by the president, Mrs. Jens Hutchens, and discussed the auxiliary's major objectives and activities for the year ahead. "Our primary objective," said Mrs. Hutchens, "remains that of continuing to improve our service to the hospital,

and through it, to our community."

The president's appointments include:

Appointive officers: Mrs. Paul Fellows, Lemon Grove, auditor, assisted by Mrs. Forace Boyd, Lakeside; Mrs. A. L. Ballantyne, El Cajon, historian; and Mrs. A. L. Cory, La Mesa, parliamentarian.

Committee chairman: Mrs. A. E. Brudno, art; Mrs. L. O. Jensen, awards; Mrs. C. L. Planchon, classifications; Mrs. John Terhorst, clerical; Mrs. A. J. Monteverde, garden; with Mrs. R. J. Eaker, co-chairman; Mrs. Von Marshall, gift shop; with Mrs. Paul Schoolhoven, co-chairman; Mrs. R. W. Justice, hospital aides, assisted by Mrs. George Conrey, lobby floor director; Mrs. R. C. Adams, maternity; Mrs. Paul Dail, central supply; Mrs. F. E. Claycomb, surgical; Mrs. W. F. Kerr, medical; Mrs. C. W. Alesch and Mrs. D. J. Erwin, hospital liaison; Mrs. J. P. Thomas and Mrs. H. E. Mayer, "Stork Talk" ("their conditioning"); Mrs. C. H. Williams, junior membership, with Mrs. S. C. Scott, co-chairman; Mrs. Clifford Smith, medical library, with Mrs. Glenn Murdock, co-chairman; Mrs. C. N. Leach, membership, with Mrs. L. M. Green, co-chairman; Mrs. J. F. Couts, philanthropic fund; Mrs. John Landesco, public relations, assisted by Mrs. W. M. Thomas, newsletter; Mrs. H. E. Mayer, circulation; Mrs. M. L. Baker, special-events publicity; and Mrs. W. D. Beasley, year book, Mrs. E. E. Binger, sewing; Mrs. Charles Roether; Mrs. L. L. Louis, volunteers.

WATER SAVER SYMBOL

NAME ME

DON'T WASTE WATER

CUTE, CONSERVATIVE—Are the words for this symbol which has become the endorsement of the Don't Waste Water Committee as a trademark for its water-saving efforts.

The deadline, midnight, Saturday, January 23 is nearing for filing of entries in the essay contest on water conservation currently conducted by the recently formed San Diego County "Don't Waste Water Committee."

The idea is to write, in 100 words or less your ideas on the subject "The Best Way To Save The Most Water In The Home." Prizes will be awarded the writers of the best essays. Entries should be sent to the Don't Waste Water Committee, Room 802, Civic Center, San Diego, California.

Your entry should also contain the name of the cartoon symbol adopted by the committee as its trademark to be used in all water conservation efforts. The committee hopes to make the symbol synonymous with efforts on the part of every householder and business firm management to save water.

Lax Voters Stricken From Registry Rolls

Scott Palmer, Registrar of Voters has the unpleasant duty of removing the names of 37,000 persons who have not voted at General Primary or General Elections the last year.

If you, sir or madam, do not value your voting privilege, to which all citizens are entitled, and fail to vote, the law requires that your name be stricken from the Great Register. If this is done, you will get a billet doux from Scott, reminding you that you must register again before you can vote at any election. The next election is the municipal primary, March 1. Final date for registering for that election is January 17, which is the date this paper will reach you, and too late to register unless you have already done so.

Scott erased 20,807 Democrats from the rolls and 14,537 Republicans. Others wiped off were from "splinter" groups. In the city, 22,459 names were taken off, and the country boys, totalling 14,541 lost their voting privilege.

Total registration now stands at 315,362. In the 1945 Roll Purge, 90,831 names were stricken.

Persons who voted at either the 1956 primary or the Nov. 6 general election are still on the roll.

For almost 50 years this reporter has been urging citizens to vote, giving the dates. When the Registrar of Voters was appointed, we thought the trouble was over, but the above figures show how wrong we were. So now, we just don't give a damn whether you vote, or register or whatever. But don't yelp if your candidate fails to make the grade.

If you don't value your American citizenship enough to spend a few minutes at the Polls every four years, you better go back across the pond.

Bundles from Heaven Arrive at Grossmont

Grossmont Hospital took care of 20 of the area's New Year's arrivals between December 28 and January 4, with Spring Valley credited with two.

Mr. and Mrs. F. W. Harrison, 8936 Troy St., welcomed a fine 8 lb. 8½ oz. boy (whom we nominate a future fireman of S. V.) born Dec. 29, 1956.

Mr. and Mrs. D. E. Stewart, 2329 Sweetwater Ave., Spring Valley, had a nice warm room all prettied up for the little lady delivered via Stork Air-Express. Delivery was made December 31, making her the last baby born to Spring Valley parents in 1956.

There were entries on Dr. Stork's way-bill for babies who will grow up in El Cajon, San Diego, Temple City (near San Gabriel), La Mesa, Alpine and Descanso, indicating that he knows the right place to come with his bundles from Heaven!—D. H.

Gallivanting Printing Pair Start Long Trek

Bill and Lil Morris, who have a home in Spring Valley, and who recently returned from a nine-months' trailer trip around the U. S., finally being driven home by the cold weather in Washington state, are off again, this time in the jeep.

Bill was in our printing department before starting on the long swing around the circle, and has helped us out in recent weeks.

The Morris plan to visit Lil's father, M. L. Jacobson, of Carroll, Iowa, "where the tall corn

grows." Mebbe Bill will get in on a huskin' bee.

They expect to be gone a month (with winter's worst part yet to come), and the jeep has no heater!

We suggest a supply of bricks to be heated for Lil's little feet. After more than 20 years' Navy service, nothing gives Bill cold pedal extremities.—D. H., J. B.

Kind
to you!

AUTOMATIC HOME LAUNDRY appliances are kind to all your clothes and linens. What's more, they're kind to you—freeing you forever from those long hours of scrubbing and wringing and stooping and lifting.

Today's complete home laundry includes—

- 1 A modern AUTOMATIC WASHER that gets clothes clean—really clean—quick as a wish.
- 2 An AUTOMATIC DRYER that eliminates old-fashioned clotheslines... fluff-dries loads of laundry at any time of the day or night, rain or shine.

(Speaking of weather — see the free offer below!)

- 3 A new and bigger AUTOMATIC WATER HEATER that gives you enough hot water to do all your clothes and linens in one speedy session.

Modern, economical laundry equipment is automatically kind to clothes... kind to your pocketbook... and kind to you! See your dealer right away.

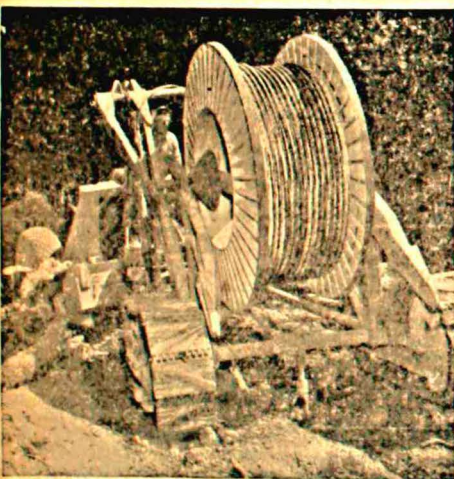

FREE WEATHER GUIDE! Your appliance dealer has a gift for you! It's an attractive Weather Guide booklet—32 pages of fascinating facts and figures that will help you to understand and enjoy the day-to-day changes of Nature. Get your free copy today.

BUREAU OF HOME APPLIANCES OF SAN DIEGO COUNTY

WHAT'S DOING

Here's a new voiceway, a coaxial cable that has recently been put into service between Northern and Southern California. It can carry as many as 600 of your telephone calls at one time. Together with our many other microwave and cable routes, the new coaxial cable gives communities all over the Pacific West another important link with one another. And it helps us keep pace with your ever-growing desire for fast, efficient telephone service.

Microwave and coaxial cable, because they carry so many calls at once, not only improve long distance service, they help keep long distance rates low. You can call clear across the country for only \$2.00 plus tax. That's the station-to-station rate for a three-minute call after 6 p.m. weekdays and all day Sunday. Calling long distance is fun. And with rates like this, you can afford to call often.

Flowers by phone is another way the telephone helps you remember special events like birthdays and anniversaries. Just ask your florist to phone your flowers. He'll call to arrange for delivery... 50 miles away or across the nation. Florists who offer the service display this emblem: "We speed flowers by telephone." Flowers, plus a long distance phone call, really say, "We're thinking of you." Pacific Telephone.

Spring Valley Cat

Some Pumpkins In Show

Joyce and Pussy Willow

— L. G. Camera Foto

Seven year old Joyce Roe, 9209 Carthy Circle, Spring Valley is a mighty proud girl these days as she strokes her cat, "Pussywillow".

For Pussywillow, an entry in the household pet division of the cat show staged recently by the Cat Fanciers Society of San Diego at Balboa Park, walked off with two blue ribbons and a gold cup.

Joyce's pet was first in the long hair specialty division, first in the all-breds section, and gold cup winner in the Children's Show.

Pussywillow's owner is the daughter of Mr. and Mrs. James E. Roe.

NOTICE TO CREDITORS

No. 57645

ESTATE OF ALBERT L. WENZEL, also known as ALBERT LOUIS WENZEL, Deceased.

Notice is hereby given by A. E. GALLAGHER as the Administrator of the above entitled estate, to the creditors of, and all persons having claims against the said decedent, that within six months after the first publication of this notice, they either file them with the necessary vouchers in the office of the Clerk of the Superior Court of the State of California, in and for the County of San Diego, or present them with the necessary vouchers to the said Administrator at his place of business, 3322 Congress St., San Diego 10, California.

Signed
A. E. GALLAGHER
Administrator of the Estate of the above named decedent

JAMES DON KELLER, District Attorney and County Counsel
By **JOSEPH B. HARVEY**, Deputy Attorney for said Administrator.
E. G. Review Jan 17, 24, 31 & Feb. 7, 1957

INSTALLED—W. Earl Smart, Lemon Grove attorney is installed president of the Lemon Grove Chamber of Commerce at a dinner last week at Michael's.

Installation dinner was re-instituted after lapse of several years and turnout totaled nearly a hundred enthusiastic friends and members.

In the photo are Bruce Harms, retiring president; Ralph J. Phillips and John Borchers, president and general manager of the San Diego Chamber of Commerce, respectively, and Smart.

Phillips was installing officer; Borchers speaker of the evening. —L.G. Camera Foto

S. D. Paint & Glass Opens Here With Fanfare & Flourish

Civic, School, and business leaders of Lemon Grove and San Diego County this morning gathered to witness the formal opening of the newest of the retail outlets opened by the San Diego Glass and Paint Company at 7579 Broadway.

At 9 o'clock a ribbon stretched across the front door was snipped, marking a store really "open for business" although it has been operating on a partially stocked basis for several weeks.

Present for the formal opening were company executives I. E. Mitchell, president; Henry Siner, vice-president and general manager; Ed Connell, retail division manager; and Carter Shands, manager of the Lemon Grove store.

The ceremony marked the opening of the fifth branch store which is coupled with two large warehouses and manufacturing facilities.

The company was founded by Mitchell and Leonard Busch in 1928 at 657 Columbia with two employees and 5,000 square feet of floor space.

Succeeding years has seen the firm grow to a retail and wholesale business occupying 155,000 square feet of floor space and employing 150 persons.

An innovation which has brought local fame and consideration.

NOTICE INVITING SEALED PROPOSALS

Pursuant to the provisions of the Improvement Act of 1911 and to Resolution Ordering Work adopted on January 7, 1957, by the Board of Supervisors of the County of San Diego ordering the work described in said Resolution.

NOTICE IS HEREBY GIVEN that said Board of Supervisors invites and will receive up to but not later than 11:45 o'clock a.m. of the 4th day of February, 1957, sealed proposals or bids for doing the work and improvement ordered in said Resolution, to wit: The construction of sewers, manholes and appurtenances in DARRYL STREET et al in LEMON GROVE, in the unincorporated area of the County of San Diego, Area No. 48.

Such bids will be received in the office of the Clerk of said Board of Supervisors, Room 308, City and County Administration Building, 1600 Pacific Highway, San Diego, California, and shall in open session of said Board of Supervisors be publicly opened, examined, and declared.

The Resolution of Intention adopted by said Board of Supervisors on December 4, 1956 is hereby referred to for a description of said work and improvement, the grades to which it is to be done, a description of the district to be assessed to pay the costs and expenses thereof, the bonds to be issued, and for all further particulars contained in said Resolution of Intention. Reference is hereby further made to the plans, drawings, typical cross-sections and specifications for said work on file as Document No. 202856 in the office of the Clerk of said Board of Supervisors, in accordance with which said work shall be done.

Copies of plans, forms of proposal, bonds, contract and specifications may be purchased at the office of Jean L. Vincenz, Engineer, 4005 Rosecrans, San Diego, California, for the sum of \$8.00. Said payment is not refundable.

The said Board of Supervisors, in accordance with the provisions of the Labor Code of the State of California, has heretofore established the general prevailing rates of wages applicable to the work to be done, which rates are as follows:

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the HELIX IRRIGATION DISTRICT will receive, on or before 9:00 A.M., February 12, 1957, bids for PIPELINE INSTALLATION IN PENNSYLVANIA AVENUE, from Colorado Avenue to 620' South, in the City of La Mesa, County of San Diego, California. All items of work shall be as more particularly enumerated and described in the Bid Form and other contract documents forming a part of, and in strict conformity with, the "Plans and Specifications for Pipeline Installation in Pennsylvania Avenue", available at the office of the Board of Directors of said District, 4769 Spring Street, La Mesa, California and shall include the following:

ITEM 1. Installation of approximately 639 feet of 4" Class 200 A.C. Pipe.

ITEM 2. Installation of approximately 6 - 3/4" Bronze Corporation cocks.

ITEM 3. Installation of approximately 1 - 2" Blowoff Assembly.

ITEM 4. 1 connection at Colorado Avenue.

ITEM 5. 1 connection at Arizona Avenue.

The work shall include the furnishing of any and all required labor, transportation, services and material, other than water pipe, fittings, valves, remaining joint materials, copper tubing, bronze valves, cocks and fittings and hydrants, all of which will be furnished by the District, if required, for the hauling, distributing, excavating, laying, caulking, tapping or assembling (including the installation of all couplings, rings, valves, fittings, etc.) testing, backfilling, restoring all pavement and surfacing where necessary, and removal from service of existing mains where indicated on the plans.

Material to be supplied by the District shall be made available to the Contractor at the District's yard at 1100 Wagner Street, El Cajon, California, except as otherwise indicated on the plans.

It is especially called to the attention of the Bidder that the total time granted for the completion of said work shall be (30) calendar days after notification to the Contractor to proceed.

Bidders are hereby notified that pursuant to the Statutes of the State of California, or local law thereto applicable, the Helix Irrigation District has ascertained the general prevailing rate of per hourly wages and wages

SHEET METAL WORKERS: Sheet metal workers, Journeyman

ANY CLASSIFICATION OMITTED HEREIN

NOT LESS THAN

OVERTIME AND HOLIDAY WORK: Not less than one and one-half times the above rates of per diem wages. Holidays shall be those recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

The said Board of Supervisors reserves the right to reject any or all bids, and to waive technical errors and discrepancies, if it do so seems to best serve the interests of the County of San Diego.

Bidders must satisfy themselves by personal examination of the location of the proposed work and by such other means as they may prefer as to the actual conditions and requirements of the work, and shall not at any time after submission of the bid or proposal dispute, complain, or assert that there was any misunderstanding in regard to the nature or amount of work to be done.

for legal holidays and overtime work in the locality in which this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract which will be awarded the successful bidder, and that these prevailing rates are contained in said Specifications, adopted by the Board of Directors of said District on January 22, 1957.

The foregoing schedule of hourly wages is based upon a working day of eight (8) hours. The rate for legal holidays and overtime work shall be not less than time and one-half of the prevailing hourly wages. If any holidays fall on Sunday, the Monday following shall be considered a legal holiday.

It shall be mandatory upon the Contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the Contract.

Each bid shall be made out on a form attached to and forming a part of the Specifications, which can be obtained at the office of the Helix Irrigation District, 4769 Spring Street, La Mesa, California, and shall be sealed and filed with the Secretary of the Board of Directors of said District on or before February 12, 1957, at 9:00 A.M. and publicly read aloud on or after 9:15 A.M. of that day in the office of the Board of Directors of said District.

Each bid shall be accompanied by a certified or cashier's check or bond secured from a surety company satisfactory to the Board of Directors of said District, the amount of which check or bond shall not be less than 10% of said bid made payable to the order of the Helix Irrigation District, said check or bond shall be given as a guarantee that if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested so to do by the Board of Directors of said District.

The successful bidder will be required to furnish a labor and material bond in an amount equal to 50% of the contract price, and a faithful performance bond in an amount equal to 100% of the contract price, said bonds to be secured from a surety company satisfactory to the Board of Directors of said District.

The bidder shall be required to submit with the bid a guarantee

ITEM 1. Installation of approximately 3257 feet of 8" Class 150 and Class 200 A.C. Pipe.

ITEM 2. Installation of approximately 333 feet of 6" Class 200 A.C. Pipe.

ITEM 3. Installation of approximately 16 - 3/4" Bronze Corporation Cocks.

ITEM 4. Installation of approximately 38 feet of 3/4" Copper Service Tubing.

ITEM 5. Installation of approximately 3 - 2" Blowoff Assemblies.

ITEM 6. Installation of approximately 1 - 1" Air Valve Assembly.

ITEM 7. Cut approximately 1000 feet of existing water main and plug with approximately 14 concrete plugs.

ITEM 8. Connection of 8" water main to approximately 1 existing 8" water main.

ITEM 9. Connection of 8" water main to approximately 3 existing 4" water mains.

ITEM 10. Connection of 6" water main to approximately 1 existing 6" water main.

The work shall include the furnishing of any and all required labor, transportation, services and material, other than water pipe, fittings, valves, remaining joint materials, copper tubing, bronze valves, cocks and fittings and hydrants, all of which will be furnished by the District if required, for the hauling, distributing, excavating, laying, caulking, tapping or assembling (including the installation of all couplings, rings, valves, fittings, etc.) testing, backfilling, restoring all pavement and surfacing where necessary, and removal from service of existing mains where indicated on the plans.

Material to be supplied by the District shall be made available to the Contractor at the District's yard at 1100 Wagner Street, El Cajon, California, except as otherwise indicated on the plans.

It is especially called to the attention of the Bidder that the total time granted for the completion of said work shall be (60) calendar days after notification to the Contractor to proceed.

Bidders are hereby notified that pursuant to the Statutes of the State of California, or local law thereto applicable, the Helix Irrigation District has ascertained the general prevailing rate of per hourly wages and wages for legal holidays and overtime work in the locality in which this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract which will be awarded the successful bidder, and that these prevailing rates are contained in said Specifications, adopted by the Board of Directors of said District on January 22, 1957.

The foregoing schedule of hourly wages is based upon a working day of (8) eight hours. The rate for legal holidays and overtime work shall be not less than time and one-half of the prevailing hourly wages. If any holidays fall on Sunday, the Monday following shall be considered a legal holiday.

It shall be mandatory upon the Contractor to whom the contract is awarded, and upon any sub-

contractor under him, to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the Contract.

Each bid shall be made out on a form attached to and forming a part of the Specifications, which can be obtained at the office of the Helix Irrigation District, 4769 Spring Street, La Mesa, California, and shall be sealed and filed with the Secretary of the Board of Directors of said District on or before February 12, 1957, at 9:00 A.M. and publicly read aloud on or after 9:00 A.M. of that day in the office of the Board of Directors of said District.

Each bid shall be accompanied by a certified or cashier's check or bond secured from a surety company satisfactory to the Board of Directors of said District, the amount of which check or bond shall not be less than 10% of said bid made payable to the order of the Helix Irrigation District, said check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested so to do by the Board of Directors of said District.

The successful bidder will be required to furnish a labor and material bond in an amount equal to 50% of the contract price, and a faithful performance bond in an amount equal to 100% of the contract price, said bonds to be secured from a surety company satisfactory to the Board of Directors of said District.

The bidder shall be required to submit with the bid a guarantee of bonds on the form provided in the Specifications. All Plans and Specifications shall be returned to the District, whether or not a bid is submitted.

No bid will be accepted from a Contractor who is not licensed in accordance with the law under the provisions of Division III, Chapter 9 of the Business and Professions Code of the State of California.

The said Board of Directors reserves the right to reject any or all bids and/or waive or irregularity in a bid.

By the order of the Board of Directors.

Dated La Mesa, California, January 22, 1957.

HELIX IRRIGATION DISTRICT

By MARGARET C. PENRY

Secretary

L.G. Review, Jan. 24, 31st, Feb. 7, 1957.

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the HELIX IRRIGATION DISTRICT will receive, on or before 9:00 A.M., February 12, 1957, bids for PIPELINE PROJECT NO. 3, in the Lemon Grove and Spring Valley area of the County of San Diego, California.

All items of work shall be as more particularly enumerated and described in the Bid Form and other contract documents forming a part of, and in strict conformity with, the "Plans and Specifications for Pipeline Project No. 3," available at the office of the Board of Directors of said District, 4769 Spring Street, La Mesa, California and shall include the following:

ITEM 1. Installation of approximately 3257 feet of 8" Class 150 and Class 200 A.C. Pipe.

ITEM 2. Installation of approximately 333 feet of 6" Class 200 A.C. Pipe.

ITEM 3. Installation of approximately 16 - 3/4" Bronze Corporation Cocks.

ITEM 4. Installation of approximately 38 feet of 3/4" Copper Service Tubing.

ITEM 5. Installation of approximately 3 - 2" Blowoff Assemblies.

ITEM 6. Installation of approximately 1 - 1" Air Valve Assembly.

ITEM 7. Cut approximately 1000 feet of existing water main and plug with approximately 14 concrete plugs.

ITEM 8. Connection of 8" water main to approximately 1 existing 8" water main.

ITEM 9. Connection of 8" water main to approximately 3 existing 4" water mains.

ITEM 10. Connection of 6" water main to approximately 1 existing 6" water main.

The work shall include the furnishing of any and all required labor, transportation, services and material, other than water pipe, fittings, valves, remaining joint materials, copper tubing, bronze valves, cocks and fittings and hydrants, all of which will be furnished by the District if required, for the hauling, distributing, excavating, laying, caulking, tapping or assembling (including the installation of all couplings, rings, valves, fittings, etc.) testing, backfilling, restoring all pavement and surfacing where necessary, and removal from service of existing mains where indicated on the plans.

**On The
SIDELINES
with
Bob Turnbull**

Lemon Grove's ROY BOTTINI and GARY DUNN, Helix' All-Mero and All-SCIF tackle and half-back respectively, have been chosen to play for the south squad in the Shrine North-South all-star game this coming fall in the Los Angeles Coliseum.

Our "Golden State" features 8 new facilities for skiers. The new and welcomed sites are Badger Pass in Yosemite Park, complete with baby-sitters for the family adventurers; Mount Baldy (Swarthout), Cisco's Tunnel Mountain (Donner Summit), Dodge Ridge (Long Barn), Edelweiss (Twin Bridges), Squaw Valley, Sugar Bowl (Norden) and Heavenly Valley in Bijou.

Mt. Miguel High School will step into varsity shoes this fall when the freshly painted hinges swing open on Chapter One. The new Lemon Grove-Spring Valley four year school, still without a nickname or colors, will employ TOM WELBAUM as head grid mentor, assisted by BEN DUEA. Accompanying the elders will be All-Metro guard DICK COOK, All-Metro center JIM OSBORNE and more than half of the unbeaten Helix junior varsity team. COACH WELBAUM states that we'll more than likely have the largest p.e. area of any school in southern California.

Roast venison is best prepared by sprinkling salt and pepper over all sides of the meat. Place the meat on a rack in an uncovered shallow pan and put in a pre-heated, slow oven at 300 to 325 degrees. DON'T add water

BOB TURNBULL

and DON'T cover. Allow 20 to 25 minutes to the pound.

Smog City's surprising UCLA Bruins recently signed a two-game, home and home contract with Purdue University. These two grid powers will meet in L.A. September 18, 1959 and at LaFayette, Indiana, September 24, 1960.

San Diego Rotary Club recently stated that "Califor ainhigh school coaching is of terrible quality." In rebuttal of that rather blunt statement is (once again in the news) Helix' TOM WELBAUM who believes local prep coaches are as good if not better (in some cases) as pigskin educators in the midwest. HARMON'S original site, Helix faculty member DOUG KERR said Big Ten football is better than PCC efforts since the feeling for the fall sport is "more intense and carries a greater over-all interest."

And "He that thinketh by the inch but talketh by the yard deserves to be kicked by the foot" so sez the British Columbia Wildlife Review.)

U. S. Fish and Wildlife says that in '56 you and about 25 million other persons spent almost \$3,000,000,000 to hunt and fish. More than \$77,000,000 went for licenses and stamps and \$1,000,000 for equipment.

MINUTE EDITORIAL

**Growing
Pains For
Mt. Miguel**

All the headaches connected with getting the new Mount Miguel High School off the ground, so to speak, are not connected with cement and mortar, wood and glass.

Educational executives and board members wrestling with the problems created by the opening of a new high school are confronted with a pinching budget regarding athletics.

Seems as how it is being debated where a hundred dollars can be found to buy a washing machine in which uniforms, towels, football headgear, and so on can be washed. Such an appliance would save the athletic department thousands of dollars in laundry bills.

It is also extremely dubious about whether or not an athletic field for soft ball, tennis, field and track work, and so on can be built, let alone illuminated for night-time use.

It takes real money to get a high school to rolling, and sports at Mount Miguel will undoubtedly be carried on under difficulties for awhile.

Seems to this department that some little help might be forthcoming from somewhere if someone will only spark an effort to help.

**23 Area Fairsex
Softballers Respond**

Fairsex softball players seem to be plentiful in the Spring Valley-Lemon Grove area.

Some 23 gals responded to a call for players, some of them with no experience, and five who will probably turn out to be top-flight performers. The fillies range in age from 13 years to, believe it or not, 49 years old.

Two teams seem possible at this writing. Experience has shown that a girl's or woman's team should carry 15 players—that there should be more reserve strength than can a man's or boy's team. So—o—o—If seven or 8 more fems are interested in softball, two teams from the area can be organized.

Any more of you gals want to play? Drop a postcard to Sports editor, Lemon Grove REVIEW if you want to have a lot of spring and summer fun.

**COUNTY INDIANS
CARD THREE EVENTS**

The Cheyenne Nation of the County Y Indian Guides organization set three events for the coming few months in which 8 area tribes will take part.

A kite fly will be held near La Mesa Airport March 17th at 2 p.m. On May 5th a picnic is planned at Camp Marston, near Julian and miniature jalopy (toy) races will be run off April 14th.

Next meeting of chiefs of the nation is scheduled for February 20th at Spring Valley Elementary School at which time the Commanche Tribe (Spring Valley) will bring a display made of tribal past projects.

**Golden Gloves Seats
Ready For Fight Fans**

Good seats for the 12th annual Evening Tribune Golden Gloves Boxing Tournament, February 1 to the 8th still may be purchased at the Coliseum, 15th and E streets. Reservations may be made by phoning BE 3-1319.

This annual classic always has rated as one of the outstanding amateur boxing meets in the country. Present indications are that this year's mitt meet will even be bigger and better.

**Michigan Spartans'
Daugherty Speaker**

Hugh "Duffy" Daugherty, Michigan State University football coach, will be the principal speaker of the third annual Appreciation Night banquet on January 31 in the El ortez Hotel.

Sponsored by St. Augustine High School and the Notre Dame Alumni Club of San Diego, the nationally known toastmaster, Morris Frank, will be the m.c. of this affair honoring the city and county high school administration and coaches.

Banquet chairman Harry Monahan stated that invitations had been mailed to some 300 coaches and administrators. Tickets for the general public are available at St. Augustine High School. Ballots have been mailed to San Diego County's 26 high school coaches who will select a "Coach of the Year" and will receive a trophy at the testimonial.

**Harlem Globetrotters
Play Two Area Games**

The fabulous Harlem Globetrotters will soon play two basketball games in the San Diego area. They will oppose the professional Washington Generals on January 30 at the Del Mar exposition grounds and will also engage the San Diego Junior College Knights at the San Diego Arena on February 6.

New comedy star of the all-Negro quintet is Meadowlark Lemon, six foot two inch 180-lb. center. Aside from his zany antics he scores well, too. Veteran Leon Hilliard will display his excellent dribbling routines.

Helix Smacks Saints

Four Helix' Highlanders hit the double column last Tuesday in a basketball game that turned into a complete rout. St. Augustine was the victim, 82-58 in a game played at Grossmont gym. The 82 points established a personal scoring ceiling for the green wave.

This non-conference game saw center Gail Barsotti bucket 26 points, guard Jerry Goms can 17 and forward Ronnie Mulder and guard John Drumm each tallied 12 digits. High scores for the Saints were forward Sam Owens, 17, and guard Tom Shaules, 12.

Helix Sophs, Frosh Win

Helix and Grossmont High School freshmen and sophomore basketball teams played curtain raisers to the regular varsity game at Grossmont last Friday night, with Helix coping both games.

Sophomores won in comparatively easy fashion 45 to 31, but it took an overtime period for Helix Frosh to come ou on top 36 to 35.

Friday Sports Results

Court battles, fishin' and a roller derby were the main highlights over last Friday's big San Diego sports front. Scores and data...

Helix Stomps Rivals

Helix High School maintained their Metro League lead by smashing arch rival, "big brother" Grossmont, 60-36. This "polio benefit" game was fought before a standing-room only crowd of 1,500 spectators at the Grossmont gym. High scorers for Helix were center Gael Barsotti, forward Ron Mulder and guard John Wible.

Saints Bow

Led by guard Keith Jensen, the Oceanside Pirates defeated St. Augustine High School, 60-55 at their home base. High scorer for the Saints was guard Tom Shules with 21 points.

Cal West Drops Ninth

Losing its ninth consecutive basketball game this season, Cal Western lost to Pacific College of Azusa, 83-64. High scorers for the Point Loma collegians were forwards Ted Anderson and Otto Cramer with 20 each.

Rockfish Bite

Rockfish continued to "eat bait and pay with their scales" of Pt. Loma las Friday as the largest single day haul was recorded with 848 rock-cod.

Clippers Win

After Friday eve's 40-35 win over the San Francisco Bay bombers, the San Diego Clippers roller skating unit leads the series, 4-2.

A little jack can lift a car but it takes a lot of jack to keep it up!

**Welbaum Heads
Mount Miguel
Athletic Setup**

Thomas Welbaum, varsity football and basketball coach of the Helix Highlanders has been named athletic director of Mount Miguel High School, now under construction on Sweetwater Road.

In a letter to the California Interscholastic Federation office in Los Angeles, Melvin C. Grant, principal of the new school informed that body of Welbaum's appointment. He will assume his new duties at the close of the current school year.

Mount Miguel High School has also been accepted into membership in the Metropolitan Athletic League in San Diego County.

Welbaum's record in football while tutoring the Highlanders needs no comment. He will carry to his new post a knowledge of football, baseball, and sports in general that augers well for the fortunes of the infant Metro entry.

The glittering brass bases of fired shells which have landed on the brush of your blind, or on the ground outside, may have kept ducks away from you and your awaiting gun last season. There's not trouble with double-guns, but pumps and autoloaders toss their shells quite a distance. Be very sure to pick them up immediately after shooting lest you forget and lose your quarry.

World Series Umpire

Has Movies, Will Show

There's a swell baseball program available locally for service clubs and the like. Ed Runge, the American League Baseball umpire who worked the 1956 World Series has movies of the event including the controversial play in which Runge took part. Runge, himself accompanies the film and narrates the action.

The program is of 45 minutes duration and a charge is made for the film and projector. Arrangements may be made through Ed Runge at Jim Spears Ford in Lemon Grove. Additional information may be obtained from the Lemon Grove REVIEW.

UNCLE SAM WANTS YOU IN THE RESERVES!

Young men of Lemon Grove are invited to serve their military obligation the easy way in the U.S. Army Reserve by joining Battery A or Headquarters Battery of the 574th AAA AW Battalion according to Captain Fred Gurney, Commanding Officer of Battery A.

Under the Armed Forces Reserve Act of 1955 young men in this age bracket can serve just six months away from home then complete their military obligation by attending drill once a week and going to a two week summer camp once a year with their own friends from the Lemon Grove area.

"It's a great opportunity to be able to complete schooling or be safe on a job and know you are not going to be drafted" according to Captain Gurney.

Young men or their parents are invited to get further information by calling Capt. Gurney at HO 3-2010 or Capt Kenneth K. Little, Jr., at HO 6-2044.

Party To Fete The John Gabriels, Wed 50 Years

Mr. and Mrs. John Gabriel of 7465 Central avenue, Lemon Grove, will be honored at an open house celebrating their Golden Wedding anniversary on February 10th from two o'clock in the afternoon.

The event will be at the home of their daughter, and son-in-law, Mr. and Mrs. Joseph Sima of 7655 Central Avenue, Lemon Grove. Married in Cleveland, Ohio, on February 12, 1907, in St. Adelbert's Church, they lived in that city until four years ago when Mr. Gabriel retired from his profession of carpentry to move to Lemon Grove.

They have three children, Mrs. Helen Johnson, of Cleveland, Ohio; George Gabriel of Maple Heights, Ohio, and Mrs. Mildred Sima, of Lemon Grove.

The Golden Wedding anniversary couple will also observe Mrs. Gabriel's 68th birthday the same week, on February 15th.

Punch-Card Tax Form Goes Out To Millions

Many income taxpayers in Southern California have received the punch-card type of income return form 1040-A instead of the usual 1040 form.

Switch, announced by the Internal Revenue Service, U. S. Treasury Department, will simplify bookkeeping chore and processing of thousands of returns due now from taxpayers. The taxpayer is not obliged to use the old 1040 form, but if 1040-A, and he or she can still you have received the new punch-card form, Uncle Sam's helpers urge you to use it.

A steady stream of returns is beginning to flow into collector's offices, and that flow will continue to increase, reaching a crescendo on April 15th, the deadline for filing. Collectors remind the taxpayers, that anyone, including minors, who has earned more than \$600 during the past year is obliged to file a return, whether the taxpayer lives in or out of the United States. Persons 65 years of age or older and whose incomes during 1956 did not exceed \$1,200 need not file a return.

"A Tax Guide For Small Business" is the name of a newly issued pamphlet issued by the Internal Revenue Service and is designed to help small businessmen prepare their income and other tax returns. It may be secured at Internal Revenue Collectors' offices upon payment of 30c.

GOD'S HEALING POWER AVAILABLE TODAY SERMON DECLARES

"The Lord is God; His mercy is everlasting; and His truth endureth to all generations." Thus verse from Psalms (100:5) is the Golden Text of the Lesson-Sermon on "Truth" to be read in all Christian Science churches Sunday. The sermon stresses the availability today of the healing power of divine Truth.

Christ Jesus' healing of the "woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself" (Luke 13:11) will be among the Scriptural selections read from the King James version of the Bible.

Second Acqueduct Plans To Be Aired At L.A. Meeting

Plans and specifications for a second San Diego aqueduct will be presented to Metropolitan Water District at a special meeting in Los Angeles January 22.

The plans were ordered on that date by Metropolitan district directors.

Fred A. Heilbron, district secretary, said the Metropolitan order speeds the project. Presentation of plans had been expected March 12, and Robert B. Diemer, general manager and chief engineer of the district has spoken out strongly for an early start on the second aqueduct.

Plans call for the second aqueduct to run parallel to San Diego's present double-barrel aqueduct, which has run at full capacity for many months, but cannot keep up with water use throughout the county.

Heilbron, also chairman of County Water Authority, said the northern half of the planned second aqueduct is expected to be built by the Metropolitan Water District at an estimated cost of 20 million dollars.

"Directors indicated strongly they would call bids on the northern half at the January 22 meeting", Heilbron said. "This would be official authorization for the work".

The County Water Authority already has engineers at work on preliminary phases of the San Diego County or southern portion of the planned aqueduct. A 30-million dollar bond issue has been discussed in plans for financing the second half.

THINGS DOIN' & BREWIN'

About Civic Center

By DICK HENDERSON

All members of the board of supervisors gathered round the big table in city council chambers last week, got down to business promptly, went through 15 pages of agenda with neatness and dispatch. Following are some extracts of interest to our readers.

Continued hearing on proposed reclassification from unzoned to C-1 of property in the Home-lands Section, requested by C. R. Freeman, et al. (The planning commission recommended denial, which petitioner protested.)

Time reserved to discuss the proposed integration of old age and survivors insurance with the county retirement system.

Time reserved to hear representatives of Lemon Grove Post No. 2022, Veterans of Foreign Wars, et al., protesting the results of the acquisition of a 15-foot strip of property on the west side of Citronella Street between Lincoln and Montana Streets in Lemon Grove.

WELFARE MATTERS

Report of the acting director of public welfare of actions taken during the month of December, 1956, in connection with the administration of old age security, aid to needy children, aid to needy blind and aid to partially self-supporting blind.

The board to determine the liability of the responsible relatives of 92 recipients of old age security and one recipient of aid to needy blind.

The acting director of public welfare requests that the district attorney be authorized to proceed against the responsible relatives of 11 recipients of old age security.

The acting director of public welfare recommends that the district attorney be authorized to take appropriate action to obtain the completed statement of responsible relative forms (AG225) from

the responsible relatives of 30 recipients of old age security.

Letter from J. C. L., a recipient of old age security, stating that she cannot live on her pension, that her tenants are moving from her rental property, and asking for an increase in pension; and

Report from the department of public welfare stating that it had received no word from J. C. L. that her rental property has been vacated, that if so, her grant will be increased to make up for the lost rental income until it can again be rented; and that a case-worker will call on her to determine her present situation and to make any necessary adjustment in her grant.

Lists of grants of lien submitted by Edgemore, county hospital and the department of public welfare, which have been accepted by the clerk for recording.

The department of public welfare requests ratification of its action in expending funds to return clients to their places of legal residence as follows:

Man to Detroit, Michigan \$ 44.10
Mother and child to Ft. Worth, Texas, by airplane (on advice of physician) 118.45
Mother and daughter to Malden, Missouri 76.70
Mother and two children to Kansas City, Mo. 100.60
Man to Houston, Texas 39.20
There's \$500 a month saved taxpayers from now on.—D. H.)

Letter from Credit Bureau of San Diego, Incorporated, returning a list of delinquent welfare accounts receivable totaling \$129,993.22, identified as Document No. 178590, as hopelessly uncollectible.

Tax Matters

Letter from county counsel reporting that his office has been advised by the assessor that the property for a sewage treatment plant site for the Spring Valley

Sanitation District, on which taxes were canceled by board order at the request of said district, is not located within its boundaries; and requesting that the board revoke its order of December 4, 1956, No. 18.

Letter from county counsel reporting that his office has been advised by the assessor that a portion of Lot 2 of Riverview Farms owned by Helix Irrigation District, on which taxes were canceled by board order at the request of said district, is not located within its boundaries; and requesting that the board rescind its action of November 13, 1956, No. 16.

Miscellaneous

County counsel recommends denial of the claim of Ernest C. Wilson in the amount of \$16,250 for personal injury and damages to his automobile suffered because of the alleged defective condition of Jamacha Road.

SURPRISE

Letter from Mayor Charles C. Dail stating that the indication by county counsel that funds requested for water conservation efforts would be an illegal use of county funds is a surprise, and stressing the necessity for a county representative to attend the executive committee meetings of the "Don't Waste Water Committee."

Copy of letter from Dale A. Campbell, San Diego, transmitting diagram of a wind machine for fighting forest fires, which would blow the fire back into the burn, and stating that he would like to see some state or federal fire fighting agency or the Navy put his theory to a test.

New Officers Named For Lutheran Church

New officers were elected last week by members of the Lemon Grove Lutheran Church.

Elected to serve the coming year were: Kenneth Olson, president; Rush Rowley, vice president; Richard Rector, secretary; Ray Grandstedt, treasurer; Vernon Langpap, assistant treasurer; Lars Johnston, deacon; Arnold Lintvedt and William Schwenke, trustees; Joe Kaiser, Ed Stoehr and John Wokuluk, nominating committee; Jime Paul and D. E. Brown, auditing committee; Don Ellis, delegate to district convention; Lars Johnston, alternate; Levi Selvig, building co-ordinator; Lawrence Moe and Ben Duea, head ushers.

An honorary life membership to the board of deacons was unanimously awarded Evangelist E. L. Scotvold.

Officers will be installed Sunday at the 11 a.m. services

Board Re-Assigns 35 Teachers to Mount Miguel, Hunts New Faces

Thirty-five staff members of high schools in the Grossmont Union High School District have been reassigned to the faculty of the new Mt. Miguel High School, slated for opening for the fall, 1957 term.

Action taken on the assignments, made on recommendation of Grossmont High School Principal Melvin Grant and District Superintendent Lewis F. Smith, came about at the recent meeting of the board of trustees. Members heard at that time that construction work on the new high school is progressing satisfactorily despite the rains prevailing for about ten days.

The list of transfers to the new high school includes the following, with name, position to which transferred and school from which transfer is made listed in that order:

Melvin Grant, principal, Helix; Virgil Duea, vice-principal, Helix; Mrs. Vela Gwin, counselor, Grossmont; Mrs. Verna Lee Field, counselor, Helix; Robert Spencer, counselor, El Cajon; John Kleinfelter, counselor, El Cajon; Benjamin Kiegle, art, Helix; Joseph Stowers, art, Helix; William H. Ketter, commercial, Helix; Lawrence Woodward, commercial, Grossmont; John G. Goas, English, Grossmont; and Mrs. Ellen Hall, English, Grossmont.

Robert Manning, English-social studies, Grossmont; Miss Betty Norval, English-social studies, Grossmont; Miss Jane Trude, girls' physical education, Helix; Mrs. Doris Powell, homemaking, Grossmont; Joseph Hansen, industrial arts, Grossmont; John Owens, industrial arts, Gross-

mont, and Lawrence Hardy, industrial arts, Helix.

Edward Villarreal, language, Helix; Robert Conger, language, Grossmont; Miss Madge McRae, language, Helix; Paul Clark, math, El Cajon; Elmer Walker, math, Helix; Gerald Davidson, math, Grossmont; Lawrence Christensen, music, Helix; Donald Tarr, speech, Helix; William Carden, science, Grossmont; Dick Ridgeway, science, Grossmont; Craig Warner, social studies, Helix; Ben Duea, social studies, Helix; Seth Carpenter, social studies, Grossmont; Tom Welbaum, boys' physical education, Helix; Dwight Teator, boys' physical education, El Cajon; and Walter Gehrike, boys' physical education, Grossmont.

A report submitted just before the assignments were announced revealed that a hunt will be started at once to find 36 additional teachers to anticipate the growth of the new Mount Miguel High School.

Sabbatical leave was approved for Mrs. Clara Brown that she might study at San Diego State College and observe educational programs in Australia and New Zealand.

The board approved teaching contracts for Marianne Benjamin, Robert L. Beucher, Alan W. Fisher, Merle G. Smith, John F. Stubbs, Mrs. Mary K. Thiemann and Winfield A. Dean.

On a final note before adjournment, the trustees discussed the possibility of annexation of the area to the city of San Diego and the city school district, with a recommendation finally jelling that the present boundaries be maintained.

Grandpappy Al Rice Changes Family Luck

Luck is changing in the various branches of the Al Rice family. Five generations have come and prospered without a single grandson or male child having been born.

Now, along comes Al whose daughters make him a grandfather of boys within weeks of one another.

Five days ago, a son was born to Mr. and Mrs. George Sestak, Pt. Loma (she's a daughter of Al's); and five weeks ago a son was born to Mr. and Mrs. Herbert Johnson, the mother is Al's daughter and the daddy is a La Mesa fireman.

Congratulations, Al, on being twice a granddaddy in such a short time, and on changing the family luck.

BWL Chalks Up Four New Members

Membership of the Lemon Grove Business Women's League has taken another jump. Thursday at their luncheon meeting at Michael's four new members were welcomed. They were Claudia Hatch of Claudia's Ceramics, Mary Wheelchel of Monroe Children's Wear, Mrs. Norman Kolkey of William's Dept. Store, and Mrs. Scott Chapin the Lemon Grove Welcome Wagon hostess.

The resignation of Jayne Pulliam as recording secretary was accepted with regret and Ruth Vestal was appointed to fill out the term.

The next meeting to be held Thursday the Seventh of February will be in the form of an auction and members are requested to bring something to be auctioned off by Sadie Marder.

HOTFOOT HOLDS NO TERRORS?

(Continued)

fire district. That district has been in existence 20 years. Mason feels, as do other board members, that Lemon Grove citizens are getting their fire protection at virtually no cost because of the savings they effect on their fire insurance premium payments.

Residents of Vista La Mesa show an apathetic interest in the matter of fire protection. Thirty householders picked at random displayed no interest in (a) formation of a fire district, (b) how their fire insurance rates compared with those paid in fire pro-

tection zones, or (c) in the fact that the state fire stations have been closed.

Two residents of the area are attempting to circulate a petition aimed at creation of a fire district, but response has been so meagre that they declined use of their names because "We don't want to get our neighbors down on us."

There's liable to be a "hot" time in the old town" any night, but those who should be most concerned seemed to feel that it was strictly a Vista La Mesa affair, and that interest by outsiders is presumptuous.

"We Baby Your Car

With Lovig Care!"

"That's right! From the moment you drive in, we treat your car like it was the only one in the world. That's why all our customers keep coming back!"
